TO: Members of Ocean Beach and Yacht Club
FROM: The Board of Governors of OBYC
RE: **Pertinent Badge Information**
DATE: Spring 2006

Revenue from our sale of guest badges has a great impact on the yearly club dues of each member. In light of this fact, we ask you to please observe the following:

- 1. IF YOU RENT YOUR HOME PRIVATELY, PLEASE DO NOT LEAVE YOUR MEMBER BADGES FOR YOUR TENANTS. PLEASE REQUEST GUEST MEMBER APPLICATIONS FROM THE CLUB.**
2. Remind your tenants that they must purchase club badges if they intend to use our facilities such as the beaches, playground, clubhouse, or marina locations.
3. Members should not give a club badge or badges to a visiting or neighbor tenant.
Your good intentions cheat the club treasury and thus impact the dues of all members.
4. Please share this message with your visitors, children, or grandchildren if they are using your home.
5. Our club rules and regulations state the following: "Members allowing renters to use member badges will have their member badges confiscated, a five hundred dollar (\$500.00) fine per occurrence charged to them, and they and their guests shall forfeit all club and beach privileges until the situation is corrected and the fine paid. Daily badges charged at the daily rates would be available to those involved during this period."
6. Please wear badges on your swimsuit or other visible place.
7. Please post the enclosed flier in your home for your tenants.

Starting this season, OBYC will verify the purchase of guest badges by renters/guest members against a weekly rental agency roster. OBYC Security will visit those homes of guests who have not purchased badges, and will collect the required fee at that time. For those members who rent privately, please remind your guests that they must purchase weekly guest badges.
